

The Forestry Chronicle

Respected Worldwide — Since 1925

PUBLISHED SIX TIMES PER YEAR

SUBSCRIPTION RATES – 2014

About *The Forestry Chronicle*

The Forestry Chronicle is the official journal of the Canadian Institute of Forestry. First published in 1925, it is the most widely-read forestry magazine in the world. *The Forestry Chronicle* is published bi-monthly in print and electronically for both individual and corporate sustaining members of the Institute as well as several hundred national and international subscribing libraries. *The Forestry Chronicle* is a respected source of professional, practical and scientific information focusing on the management of forests, and everything that they encompass. *The Forestry Chronicle* also includes local, regional, national and international forestry news, as well as thought-provoking editorials.

Available Electronically Back to 1925!

Through an agreement with the National Research Council Press, *The Forestry Chronicle* is available electronically to CIF/IFC members and subscribers. It is online and digital back to 1925. If you wish to have access to the print or electronic format of *The Forestry Chronicle* please complete and submit the form on the reverse with payment. Upon receipt of your information, we will activate your IP address(es) or provide you with a Username/Password if necessary. The CIF/IFC will grant authorized CIF/IFC subscribers the right to access the electronic version of *The Forestry Chronicle* as long as they remain CIF/IFC subscribers.
